

AMANDMENT NO. 1
to the Request for Expression of Interest for
Quality Control Contractor for Cadastral Reconstruction
Ref No: XK-KCA-101492-CS-QCBS

Preamble

This amendment (hereinafter called the “Amendment”) is made on the **09 August, 2024** by the **Kosovo Cadastral Agency**, Rr. “Arbënor e Astrit Dehari” No. 25, 10 000 Prishtinë, Republic of Kosovo (hereinafter called “the Purchaser”)

WHEREAS

- a) The Kosovo Cadastral Agency on 02.08.2024 has published the Request for Expression of Interest for Cadastral Reconstruction Ref No: XK-KCA-101492-CS-QCBS aimed to appoint a company/consortium to act as the QC Operator and to execute the QC of the whole cadastral reconstruction work.
- b) The Kosovo Cadastral Agency has revised latest Technical Specifications for Cadastral Reconstruction (CR) to be undertaken in up to 115 cadastral zones across Kosovo and such change would result in changes to the Terms of Reference for Quality Control Contractor for Cadastral Reconstruction.

NOW THEREFORE, the Kosovo Cadastral Agency agree to conclude the Amendment No.1 to the Request for Expression of Interest dated 02.08.2024 for Quality Control Contractor for Cadastral Reconstruction Ref No: XK-KCA-101492-CS-QCBS to the following terms and conditions:

1. Section “Objective of the Assignment” is modified to read as follow:

KCA intends to contract a company/consortium to act as the QC Operator and to execute the QC of the whole Cadastral Reconstruction (divided into 5 lots).

2. Section “Scope of Work” is modified to read as follow:

Within REGIP, for the Kosovo Cadastral Agency one of the most important activities is the capital project of Cadastral Reconstruction (CR). Within REGIP are planned to implement CR projects in 115 priority Cadastral Zones. The total planned area is 121,000 ha, while the total number of parcels is around 268,000. Within this project it is estimated to be created around 70,000 buildings as new cadastral units.

The CR programme will be implemented by the Service Provider (the contractor carrying out the cadastral reconstruction) who will work systematically by cadastral zone. The work will be quality controlled by a QC Operator (appointed separately and responsible to KCA) and all cadastral changes must be approved by a specially appointed CR commission. In each cadastral zone the Service Provider (EO) will perform activities of Quality Control.

- 3. All the provisions of the Request for Expression of Interest Request dated 02.08.2024 which are not contrary to the terms and conditions of this Amendment no.1 remain unchanged.***
